3: How we educate our students in relation to bullying

4: Online bullying

5: Appendices providing anti-bullying resources for students, parents and staff

1. Context

IKB Academy will not tolerate bullying. Every member of our school has the right to come to school without fear of being threatened, intimidated, mocked or abused. We all have a responsibility to make sure that bullying is not part of life at our school. It can make people feel miserable and insecure. In its worst forms it can ruin people's lives. Students or staff who witness bullying must tell a member of staff. Not telling means that the student being bullied may continue to suffer and the aggressor may carry on, probably with other students too. People who bully need help. Helping them to understand their target's feelings and the effect of their behaviour on them (developing their empathy), teaching them to stand up to peer pressure from others, giving them support to manage the problems they are facing in their own lives – all of these things can change bullying behaviour for the good. IKB Academy is committed to addressing this. This policy gives a clear methodology for staff to follow and the range of actions available when dealing with issues of bullying.

IKB Academy strives to ensure that all students feel safe and secure whilst they are at school. We recognise that the passage through adolescence can be challenging at times, but it is pleasing to report that the following research completed on our students reflects that they perceive IKB Academy to be a safe and supportive learning environment. IKB Academy seek to continually reflect and improve our strategies used in relation to anti-bullying.

This policy reflects updated national guidance and was written in conjunction with the anti-bullying adviser for Bath and North East Somerset Council, a staff focus group and our Student Council.

The Health-Related Behaviour Survey

The Health-Related Behaviour Survey, developed by the Schools Health Education Unit, is designed for young people of secondary school age. The survey has been developed over 30 years by health and education professionals, and over a million students have taken part. In the last ten years, over four thousand schools and colleges have participated. Data from the survey is used to evaluate current performance in relation to preventative safeguarding actions including anti-bullying, inform planning decisions as well as being used in the classroom as the stimulus for discussion with students.

The survey is undertaken every two years by Year 8 and 10 students in all secondary schools in Bath and North East Somerset, Year 10 only for IKB Academy.

The IKB Academy Anti-Bullying Policy should be read in conjunction with other relevant policies.

- IKB Academy Behaviour for Learning Policy
- Wellsway MAT Child Protection and Safeguarding Policy
- Wellsway MAT Online Safety Policy
- IKB Academy Equal Opportunities Policy

This policy has been constructed in accordance with the following acts:

- **The Education and Inspections Act 2006**
Section 89 of the Education and Inspections Act 2006 provides that maintained schools must have measures to encourage good behaviour and prevent all forms of bullying amongst

students. These measures should be part of the school's behaviour policy, which must be communicated to all students, school staff and parent.

- **The Equality Act 2010**

The Equality Act 2010 replaces previous anti-discrimination laws with a single Act. It replaces the three previous public sector equality duties for race, disability and gender, and also covers age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Duty has three aims. It requires public bodies to have due regard to the need to:

- 2.1 Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- 2.2 Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- 2.3 Foster good relations between people who share a protected characteristic and people who do not share it.

- **The Education Act 2011**

The Education Act 2011 gives teachers stronger powers to tackle cyber-bullying by providing a specific power to search for and, if necessary, delete inappropriate images (or files) on electronic devices, including mobile phones.

- **Safeguarding Children and Young People**

Under the Children Act 1989 a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm'.

- **Keeping Children Safe in Education 2021**

Keeping Children Safe in Education (KCSiE) 2021 is statutory guidance from the Department for Education issued under Section 175 of the Education Act 2002. KCSiE 2021 reinforces that all staff should recognise that children are capable of abusing their peers and includes a focus on tackling sexual harassment in schools and through online devices. Schools should ensure their Child Protection Policy includes procedures to minimise the risk of peer on peer abuse and harassment and sets out how allegations of peer on peer abuse will be investigated and dealt with. The policy should reflect the different forms peer on peer abuse can take, make clear that abuse is abuse and should never be tolerated or passed off as "banter" or "part of growing up". It should be clear as to how victims of peer on peer abuse will be supported. The WMAT Child Protection and Safeguarding Policy explains how IKB Academy will respond in relation to peer on peer abuse. The IKB Academy Anti-Bullying Policy explains in detail how the school will respond to this specific aspect of peer on peer abuse.

- **Preventing and tackling bullying 2017**

This document has been produced to help schools take actions and respond to bullying as part of their overall behaviour policy.

- **Approaches to preventing and tackling bullying: case studies 2018**

This document helps identify and share effective anti-bullying practice among schools.

- **Searching, screening and confiscation 2018**

This advice explains schools' powers of screening and searching pupils so that school staff have the confidence to use them.

Bullying outside school premises

IKB Academy has the power to discipline pupils for misbehaving outside the school premises "to such an extent as is reasonable". This can relate to any bullying incidents occurring anywhere off the school premises, such as on school or public transport, outside the local shops, or in a town or village centre.

2. Rationale

The IKB Academy Anti-Bullying Policy is an integral part of the Child Protection and Safeguarding processes at IKB Academy. It outlines clear guidance in relation to how the school will respond to incidents of bullying. All staff understand that bullying and its many forms is a classification of peer on peer abuse. As a result, the correct implementation of this document by staff is crucial to ensure students at IKB Academy are protected from abuse.

Bullying is a form of anti-social behaviour that has no place in this school or any community. Bullying is defined as deliberately hurtful behaviour, repeated over time, where it is difficult for those being bullied to defend themselves. It can take many forms, but the main types of bullying are:

- physical – hitting, kicking
- taking or damaging belongings
- verbal – name calling, insulting, making offensive remarks, humiliating others
- misuse of new technologies – sending messages on mobile phones or social media
- indirect – spreading nasty stories about someone, belittling others, exclusions from social groups, being made the subject of malicious rumours

Bullying can make the victim feel distressed, nervous, hurt or worried. The bully's actions may or may not be on purpose and may involve encouraging others to cause upset.

This type of behaviour involves one person or group having all the power and someone else having none, leaving someone feeling helpless to prevent it or put a stop to it.

Bullying is often motivated by prejudice against particular groups. When incidences of bullying are analysed across the UK the following themes are often found to be used as a basis for the bullying or aggression:

- Racism
- Colour
- Sexism
- Homophobia targeted at lesbian, gay, bisexual, trans and queer (LGBTQ) pupils
- Ability
- Special educational needs and/or disability (SEND)
- Family
- Looked after children
- Adopted children
- Young Carers
- Success

- Failure
- Religion
- Culture
- Appearance – size, height, weight, dress, personal features
- Language/speech
- Social Class
- Nationality

Schools have a legal duty to ensure prejudiced based bullying is dealt with in schools. Under the Education and Inspections Act (2006), Head teachers, with the advice and guidance of governors and the assistance of school staff, must identify and implement measures to promote good behaviour, respect for others and self-discipline amongst students and to prevent all forms of bullying. This includes the prevention of prejudice-based bullying related to all of the themes stated above.

Keeping Children Safe in Education 2021 reinforces that students with special educational needs (SEN) and disabilities can face additional safeguarding challenges. All staff need to be aware that additional barriers can exist when recognising abuse for these groups of students. This would include the potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.

3. How we educate our students in relation to bullying

From their arrival in Year 10, students are given the very clear message that any form of bullying or unpleasant behaviour is neither welcome nor tolerated at IKB Academy. This is reiterated in assemblies, in tutor groups and through the curriculum, particularly in subjects such as PSHE and English.

IKB Academy creates an ethos of positive behaviour where students treat one another and the school staff with respect because they know that this is the right way to behave. The school values reinforce respect for others and this fundamental aspect of school life permeates all areas of the school curriculum.

IKB Academy has developed a sophisticated approach where intelligence is gathered through analysis of behaviour data, student voice and staff voice about issues between students which might provoke conflict. With this in mind, specific focussed strategies are developed to prevent bullying occurring in the first place.

The strategies frequently involve talking to pupils about issues of difference, perhaps in lessons, through dedicated events or projects, or through assemblies.

Every year we hold an anti-bullying week in November and mark National Safer Internet Day in February.

Student led approaches to anti-bullying at IKB Academy

The annual focus areas for these approaches will be directed by feedback received in relation to trends of bullying and prejudiced or discriminatory based behaviour. We encourage students to help their friends by passing on concerns to staff, parents or to email the beatbullying@ikbacademy.org.uk from

an email account not linked to their name, (partially anonymous) to ensure that they get the help they need.

The IKB Student Council

IKB Academy is committed to promoting equality, tolerance and harmony amongst its students and prepare them for life in a diverse society. The student council discuss issues within the school, holds events, works with tutor groups, and polls year groups to effect change and promote good relations and understanding in the school between a diverse range of people from different identities and backgrounds.

4. Response to Online Bullying

The use of the internet (Online bullying) and mobile telephones to bully is a very serious matter and can constitute a criminal offence. In the United Kingdom there are criminal laws that can apply in terms of harassment or threatening and menacing communications which would apply to students of secondary school age.

The wider search powers included in the Education Act 2011 and the Department for Education (2018) document titled 'Searching, Screening and Confiscation' gives teachers stronger powers to tackle online bullying by providing a specific power to search for and, if necessary, delete inappropriate images (or files) on electronic devices, including mobile phones. Students must comply with searches and unlock devices for SLT to analyse or else be subject to heavier sanctions and parental involvement.

Where the member of staff conducting the search finds an electronic device they may examine the device for inappropriate content if they think there is a good reason to do so. Following an examination they may erase any content if they think there is a good reason to do so.

The staff member must reasonably suspect that the content on the device in question has been, or could be, used to cause harm, to disrupt teaching or break the school rules.

All school staff are aware that behaviours linked to sexting put a child in danger. The Designated Safeguarding Lead should be notified if it is suspected that sexting has taken place. S/he will make any subsequent decision in relation to the viewing of content on an electronic device. Further guidance in relation to sexting is included within this section of the policy.

The guidelines in relation to consequences and interventions in Appendix B will be followed if a student is found to be involved in online bullying. IKB Academy parents/carers are exceptionally supportive and working closely with them will usually provide the most effective way of punishing a child found to have engaged in Online Bullying activity. The ultimate outcome is to reform the views of the student engaging in the bullying activities and for the student bullied to feel reassured and clear that justice has been done.

At IKB Academy we will deal with reported cases of online bullying in the following way:

Supporting the student being bullied

- Give reassurance that the student has done the right thing by telling someone.
- Make sure the student reporting the issue knows not to retaliate or return the message and will ask the victim to think about what information might be available on the internet.
- Help the student to keep relevant evidence for any investigation (e.g. by not deleting messages/files they've received and by taking screen capture shots and noting web addresses of online cyber bullying instances). Check the student understands simple ways to prevent it from happening again, e.g. by changing contact details, blocking contacts or leaving a chat room. Please ask for advice if you require help with technical aspects.

Take action to contain the incident when content has been circulated:

- If you know who the student responsible is, ask them to remove the content after you have had the opportunity to capture screen shots and witness content where possible;
- Contact the host (e.g. the social networking site) to make a report to get the content taken down.
- The senior leaders are to use disciplinary powers to confiscate phones that are being used to cyber bully. Also ask the student to tell you who they have sent messages on to.
- In cases of illegal content, contact the police, who can determine what needs to be kept for evidential purposes.

How will IKB Academy respond to an incident of Sexting?

The UK Council for Child Internet safety (UKCCIS) have produced guidance for schools on how to respond to the following incidents:

- Person under 18 creates a sexual image of themselves and shares it with another person under 18.
- A person under 18s shares an image of another under 18 with another person under 18 or an adult.
- A person under 18 is in possession of sexual imagery created by another person under 18.

The Designated Safeguarding Lead at IKB Academy will oversee any incidents which meet the criteria outlined above and all actions taken will be taken in line with the UKCCIS guidance. The guidance states that 'schools may want to invoke their own disciplinary measures to discourage young people from sharing, creating or receiving images...'

IKB Academy will put in place consequence for serious misconduct for any student who is found to have demonstrated behaviour which meets the above criteria. Persistent offenders will receive consequences in line with our anti-bullying policy. Further guidance in relation to sexting can be found in the Wellsway MAT Child Protection and Safeguarding Policy.

Appendices

- Appendix A: Guidance for students in relation to Bullying
- Appendix B: Guidelines for parents of the student being bullied
- Appendix C: Online Bullying Advice for IKB Academy Students
- Appendix D: Online Bullying Advice for Parents and Carers
- Appendix E: Guidance for staff if a student complains of being bullied
- Appendix F: Resources for staff to investigate bullying complaints

Appendix A. Guidance for students in relation to Bullying

All students are provided with clear guidance on how to respond to instances of bullying. These guidelines are discussed in tutor times and through year group assemblies.

IKB is a 'TELLING' school

You have a right to feel comfortable and safe at school, as well as on your journey to and from school. If you are being bullied, **YOU MUST TELL.**

Who should you tell?

Your tutor, a subject teacher, a Learning Mentor, a Senior leader or any other member of staff with whom you feel comfortable - you choose.

What should you do if you are frightened to tell a teacher?

Tell a friend; tell your parents. They can tell the teacher for you.

What should you do if the bully or bullies threaten they will hurt you more if you tell?

Still tell - **AND** tell the teacher about these threats.

If you don't tell, the bullying will go on. You must **TELL EVERY TIME.**

The BULLY IS WRONG, NOT YOU.

YOU WILL WIN, as long as you TELL EVERY TIME.

Advice if you are the bully.

- Are you being unkind or cruel to someone you know?
- Do you know how it makes them feel?
- Do you know that calling someone a name is just as bad as hitting them?
- Do you have to be a bully because it makes you feel big?
- Don't you know any other ways to be strong?
- Do you know that your friends are probably only your friends because they're afraid of you?

Stop bullying.

The next time you're tempted to react in a bullying way, stop for a moment and think. If someone treated you like this just think about how you would feel if they behaved differently and smiled or chatted to you instead? Try to understand the other person's point of view.

Different isn't worse - it's just different.

People who are different in some way to you are just the same inside. Take a look around. Everyone is different - so what? You are no better than anyone else. We all have feelings - we are all human.

What do you get when you bully others?

You might think you're winning lots of friends. Maybe you think that everyone looks up to you because you're strong? But you're wrong. Behind your back people dislike you and think you're a coward because you attack others. They may act in a friendly way, but inside they are probably afraid of you. Is that the kind of friendship you want?

How can you change?

Why are you a bully? Is something about your own life bothering you? Are you unhappy for some reason, perhaps there's a problem at home? Then that's what you need to focus on. Get help for whatever is making you the kind of person who torments others.

Remember if you respect others, they will really like and respect you.

Appendix B. Guidelines for parents of the student being bullied

The school is committed to working in partnership with parents to resolve bullying issues quickly and decisively. The following guidelines offer support and advice to parents.

- If your son or daughter tells you they are being bullied, keep calm! Getting angry and threatening to visit the school or the parent of the other student will terrify them further.
- Praise them for telling you and reassure them that they have done the right thing in letting you know what is happening.
- Try to find out the facts - what exactly has happened?
What bullying is (and isn't!)

Bullying:

- ... goes on for a while and happens regularly
- ... Is deliberate. the other person wants to hurt, humiliate or harm the target
- ... Involves someone (or several people) who are stronger (not necessarily physically) than the person being bullied

Bullying is not:

- ...a one off fight or argument
- ...a friend sometimes being nasty
- ...an argument with a friend

These are not defining bullying.

How you can help:

- Use your best listening skills. Accept your son or daughter's feelings, encourage him/her to talk about any worries by listening.
- Help your son or daughter to think about what s/he would like to happen, and ask how you can help.
- Encourage your son or daughter to talk to his/her tutor or Learning Mentor. If s/he does not want to then it is advisable for you, preferably with your son/daughter's support, to make the tutor or Learning Mentor aware that this is how s/he is feeling. Arrangements can be made for you to speak to a member of staff without making other students aware that this is being done. The sooner we know about a problem the quicker we are able to put in place appropriate intervention for all students involved and prevent bullying happening.
- Bullying can destroy confidence and your son or daughter will be feeling vulnerable. Make him/her feel loved, valued and important.
- Talk to him/her about why people bully to reinforce the point that your son/daughter is not the problem.
- When you talk to the school, stay calm and give specific details. Remember that we are partners with you and both want the best for your son or daughter.
- If after you have made a plan with the school and followed it up, you are still not happy with the situation, then please do contact the Deputy Principal who will review the action taken to date and offer guidance and support for future interventions.
- If the bullying problem persists you have the right to follow the school complaints procedure.

Appendix C. Online Bullying Advice for IKB Academy Students

- Always respect others – be careful what you say online and what images you send to others and publish on websites.
- Think before you send or publish – whatever you send can be made public very quickly and could stay online forever.
- Treat your password like your toothbrush – keep it to yourself. Only give your mobile number or personal website address to trusted friends.
- Block the bully – learn how to block or report someone who is behaving badly.
- Don't retaliate or reply.
- Save the evidence – learn how to keep records of offending messages, pictures, video/films or online conversations.
- **Make sure you tell** an adult you trust, or call a helpline like ChildLine on 0800 1111 in confidence.
- Report in school – speak to any member of staff. Your tutor will usually be the best person to start with.
- Finally, don't just stand there – if you see cyber bullying going on, support the victim by reporting the bullying. How would you feel if no one stood up for you?

Appendix D. Online Bullying Advice for Parents and Carers

- Be alert to your child seeming upset after using the internet or their mobile phone. This might involve subtle comments or changes in relationships with friends. They might be unwilling to talk or be secretive about their online activities and mobile phone use.
- Monitor internet use closely – your child may be suffering in silence.
- Talk with your children and understand the ways in which they are using the internet and their mobile phone. Look also at the key messages for IKB Students on Online Bullying.
- Use the tools available on your computer. Find out how to turn on in-built internet safety features.
- Remind your child not to retaliate to messages.
- Keep the evidence of offending emails, text messages, files/videos or online conversations.
- Be aware, your child could be a cyber-bully as well as be a target of cyber bullying.

Report Online bullying:

- Contact your child's tutor or the Senior leaders if you think it may involve another student so that we can take appropriate action.
- Contact the service provider (Facebook, Twitter, Instagram).
- If the online bullying is serious and a potential criminal offence has been committed, you should consider contacting the police. The school will support parents/carers in this.

Appendix E. Guidance for staff if a student complains of being bullied

All staff employed in the school are expected to adhere to a common set of guidelines in responding to instances of bullying. The term **staff** includes all teachers and support staff. We all have a duty to implement the school policy on bullying. Every complaint of bullying must be taken seriously. Resources for staff to use should a student complain of being bullied can be found in Appendix F. Contact SLT for further guidance.

Appendix F. Resources for staff to investigate bullying complaints

INVESTIGATION STAGE

Stage 1

A member of staff is made aware of a concern in relation to **bullying or online bullying and/or prejudiced or discriminatory behaviour or bullying.**

Stage 2

The **member of staff** receiving such a complaint must respond by completing the following actions:

- Log the incident on CPOMS (school email account holders) or complete a **Serious Misconduct Form (non school email account holders)** detailing all known information. **The name of the alleged aggressor and their Tutor should be clearly written at the top of the form.**
- If the incident warrants it **the member of staff** who has received the complaint should take statements and help collect evidence using a **Witness Statement Form.**

Stage 3

- **The Tutor of the aggressor will take responsibility for ensuring the issue is investigated and the appropriate actions are taken.** S/he will work in conjunction with SLT (Victim), Learning Mentors (Aggressor and Victim). If appropriate teachers and Curriculum Directors may be involved as directed by the Head of House.
- **The Tutor of the aggressor will then upload details of the actions taken to CPOMS.**

INTERVENTION/CONSEQUENCE STAGE – AGGRESSOR

Bullying and Online Bullying

Actions taken for the aggressor when it is confirmed that bullying or online bullying (2 or more incidents) of a student has taken place:

Level 1

- Formal letter from SLT to parents/carers informing of a SLT detention.
- The teachers of the bully and victim are informed by SLT so that they can monitor closely for any inappropriate behaviour/bullying in lessons.

Level 2 - If bullying continues:

- If deemed appropriate by SLT the bully will attend mentoring sessions to find solutions to the issues which are arising.
- A conference with parents/carers of the aggressor will be held by SLT
- SLT may move the bully to a different Tutor Group and/or Learning Group.

Bullying is classified as **Serious Misconduct and L4 consequences** will be applied by SLT.

These include:

- SLT Detention
- Referral to isolation

Level 3 - If bullying continues:

- The aggressor will be placed by SLT on report via school's behaviour management system.
- Police are available to perform 'restorative justice' activities between the students concerned. Parent/carer permission does not need to be sought for this though it would be expected by the school in most circumstances.
- At this stage a conference with parents, SLT AND bully present
- A Pastoral Support Plan may be created by Learning Mentor

Bullying is classified as **Serious Misconduct and L4 consequences** will be applied by SLT

These include:

- SLT Detention
- Internal Exclusion
- Fixed Term Exclusion.

Sexting, Prejudiced or Discriminatory Behaviour or Bullying

Actions taken for the aggressor when it is confirmed that prejudiced based or discriminatory behaviour/bullying has taken place.

Sexting, Prejudiced or discriminatory behaviour should be referred by **all staff** to SLT using a Serious Misconduct Form. The **Assistant Principal** will consider whether there is a need to refer the incident to the Local Authority using the **Serious Equalities Incident Form**.

Students who demonstrate sexting, prejudiced or discriminatory behaviour will receive the following interventions:

- 1st Offence – A Level 3 consequence will be applied by SLT.
- 2nd Offence – The student will be placed by SLT on Level 3 of the school's anti-bullying interventions as detailed above.

Level 4

If the bullying, online bullying and/or prejudiced or discriminatory behaviour still persist then Permanent Exclusion may follow at the discretion of the Principal.

INTERVENTION STAGE – VICTIM

- The victim's tutor will contact parents/carers to explain what is happening with identification of the bully not given - no 'naming and shaming'.
- Two and four week follow up checks must be diarised and carried out SLT. The form to be used can be found in Appendix C of this policy.
- SLT may offer the victim a series of sessions with a mentor to support their emotional stability.
